SIDEBOARD INSPIRED BY D.LUIZ BRIDGE

D. Luiz I bridge became one of the most iconic places of Porto. Arc is a singular piecework crafted by the hand of the artisan, with an interior carefully designed and finished in satin wood; the metal joining the margins is now the support base. Finally, they left aside the monochrome and dress up the piece with hand painted tiles.

Designer: Marco Sousa

Dimensions: W 150 cm | 59" H 90 cm | 35" D 50 cm
20" W 180 cm | 71" H 90 cm | 35" D 50 cm | 20"

Materials: Base in iron, structure in lacquered wood and hand painted tiles, drawers in satin wood.
